## News of Petersburg

The Times-Dispatch Bureau,  
5 Bollingbrook Street,  
(Phone 1453).

Petersburg, Va., December 21.—William Spencer, a white man, convicted at a recent term of Hustings Court of Petersburg of assaulting and beating his wife, has been pardoned by Governor Mann, and the news was conveyed to him in the City Jail this morning. The jury fixed Spencer's punishment at three years in the penitentiary and sentence was pronounced, but its execution was deferred until a petition for pardon could be acted on by the governor. While in jail a child of Spencer was accidentally shot and killed with a pistol, with which it was playing. Spencer probably will be released to-morrow on the arrival of the pardon papers.

**Held Up and Robbed.**  
Allen Thorn, colored, employed in Richmond by the Virginia Railway and Power Company, was held up and robbed of his money in this city last night by two negroes. Thorn came over to Petersburg on the trolley line, expecting to take the Seaboard Air Line 2 P. M. train for Raleigh to spend the holidays with his family. He missed that train, and it was while he was on his way to catch a later train that he was held up by the two highwaymen, armed with pistols, who would listen to no appeal from the victim not to take the few dollars he had, with which to get home. He offered them his grin and contents as more valuable than the money he had, but they refused it. They rifled his pockets of between \$5 and \$6 and left.

### Died in Norfolk.

Thomas A. Chappell, twenty-eight years old, a well-known young citizen and employee of the Norfolk and Western Railway, died yesterday in St. Vincent's Hospital, where he was taken a few days ago for treatment. The remains will be brought to Petersburg to-morrow morning and the funeral will be from the Second Baptist Church. Deceased is survived by his wife, several brothers and sister.

### Christmas Templar Observance.

According to their annual custom, the St. Kings, of Appomattox County, mandery, will assemble in their assembly room at noon, on Christmas Day, to toast the grand master of Knights Templar in the United States, and to receive his response. The same observance will be held at the same hour by Knights Templar wherever there is a commandery, and the custom is one of impressiveness and beauty.

### Low Water Everywhere.

The water in the city reservoir is low and the same may be said of the streams and wells throughout this section. When the tide recedes sandbars are visible in the upper part of the Appomattox harbor, and in the diversion channel for several years, the rainfall in this section has been abnormally light, and this is the reason that Petersburg has had trouble with the water supply.

### Address by Governor Mann.

Governor William Mann this afternoon addressed a large audience in the (Gilded colored) Baptist Church. The address specially was to the Henry W. Williams Bible class of the Colored Young Men's Christian Association, and was very cordially received. Mayor Calanias and Walter Edward Harris also delivered brief addresses.

### General News Notes.

The Christmas trade of the Petersburg merchants has been largely in excess of that of years past. Joyous Christmas music was a feature of the services in several of the churches to-day.

## MINISTER'S LIFE SAVED BY BIBLE

Apparently Deliberate Attempt to Kill Pastor of Blairsville Church.

Blairsville, Pa., December 21.—What is believed to have been a deliberate attempt to assassinate Rev. R. E. McClure, D. D., pastor of the Blairsville United Presbyterian Church and president of the Indiana County Anti-Saloon League, last night, when a bullet fired at the minister penetrated a Bible, which he carried under his arm, and made a slight abrasion upon his left side. The officers are searching for two men, one of whom who fired two shots at the clergyman, and who dropped his hat. Dr. McClure made a call on a sick member of his church, and was returning to his home. As the minister reached the street leading to his home he saw two men, some distance away, standing at a telephone pole. As Dr. McClure approached them a whistle sounded, and one of the men fired a revolver at him. The bullet went wild. The minister picked up a stone and hurled it at the men, running toward them. As the assailants retreated, the man with the revolver fell. Before Dr. McClure could reach him the man had regained his feet and fired a second time, the bullet tearing through the minister's Bible and clothing. Both men then fled and Dr. McClure continued to his home, from where he notified the police.

Dr. McClure has been pastor of the United Presbyterian Church here for twenty-two years.

### Aviator Killed in Auto Accident.

London, December 21.—Robert Bertman Slack, a well-known English aviator to-day was killed in an automobile accident, between London and St. Albans.

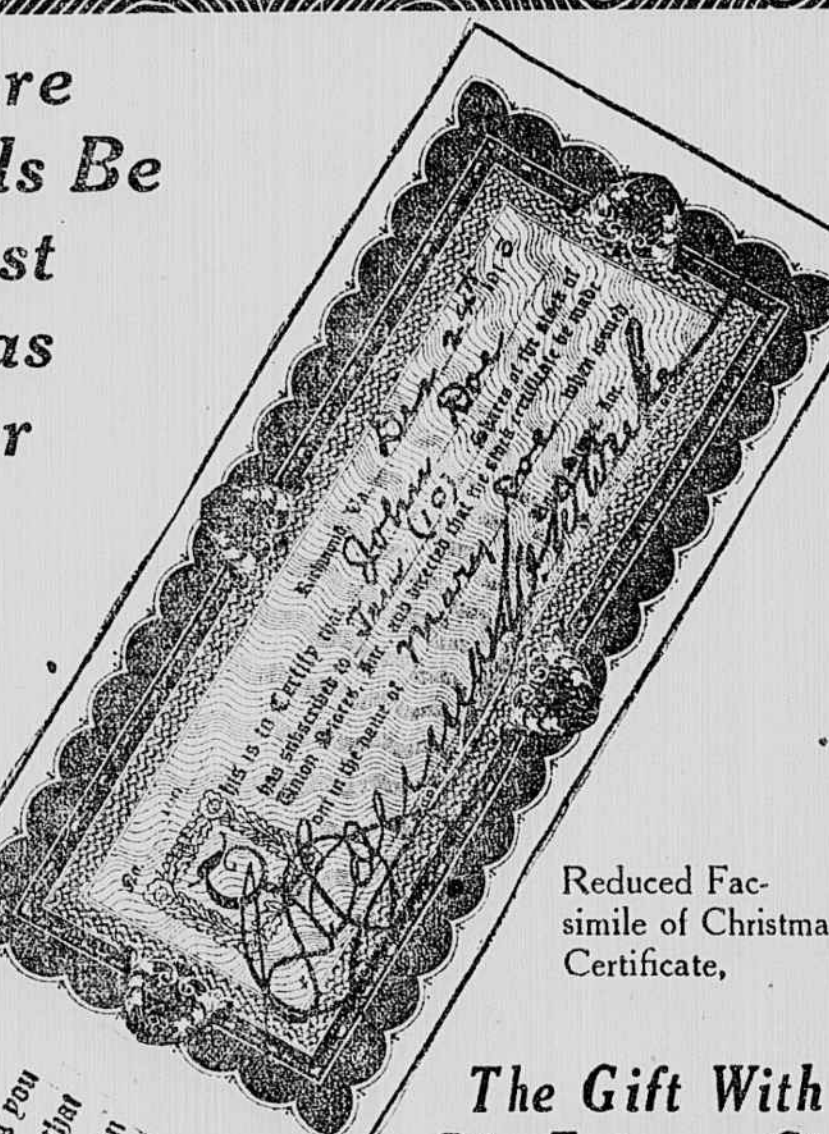

### NEWS OF ASHLAND

Ashland, Va., December 21.—The Board of Supervisors of Hanover County will hold a special session at Hanover Courthouse on December 23. At this meeting it will be determined whether Hanover County will continue the services of the farm demonstrator. At the meeting in November this proposition was laid on the table because it looked as if it would be defeated. Now the prospects for the continuance of this officer look brighter. The board will also settle all accounts for the month, and pay the county hands, so that they may be able to enjoy Christmas.
